

Dear Lillian - I was so pleased  
to have the good message from  
you yesterday. It has been rumo-  
ring over the earth since Dec 17<sup>th</sup>  
noticed. Why didn't you stick a  
few words in about your self.  
I had ~~decided~~ many years ago that  
you must be dead for I haven't  
heard from you in so long.  
Almost twelve years if I rem-  
ember right. Had the warring  
world bring back memories?  
And are you married again  
I notice "P. E. M." on the envelope  
He sits down & write me all  
about you at once.  
This is my Red Cross day and I must

Wash dishes and make beds, before  
I go. Have to be back by twelve o'clock  
to have Jim's lunch. Bill is a softie  
on high school. Mac goes to work early  
& doesn't get home til night.

Just wanted you to know I am  
as glad to hear from you <sup>and</sup>  
want to know all about what you  
are doing -

With love

Bess -
